### **Monthly Mindfulness Minutes (MMM) is back!**

This year has been stressful. But stress doesn't have to take over our lives. Simple yet intentional steps can go a long way as we prioritize self-care.

**The Kelly Center invites you to join us for a brief mindfulness meditation on the last Wednesday of every month, Monthly Mindfulness Minutes (MMM).** Join us as an individual, an office, a class, or a department. All you'll need is a quiet space and a willingness to pause your busy schedule for a few moments a month.

MMM will be held on the last Wednesday of every month. We'll begin again this semester on January 27th, at 8:15am. The meditation will last around 20-30 minutes, but please stay as long or as little as you're able. You can access the live meditation via our recurring zoom link, or listen to the recorded sessions at a later time. The recordings will be posted to the Kelly Center website.

Here is the recurring zoom link: <https://zoom.us/j/96561480413>

We hope many departments and offices will chose to incorporate MMM as a tool for decreasing the impact of stress, depression, and anxiety on our campus. Mindfulness meditation is an excellent way to mitigate the risk of overstress, prevent burnout, and increase productivity. And the benefits aren't only momentary, research has shown meditation to "conclusively and positively change your brain structure." Still not convinced? Check out the following article on the specific benefits companies like Google, Nike, and Apple have seen after incorporating mindfulness meditation:

<https://www.inc.com/marissa-levin/why-google-nike-and-apple-love-mindfulness-training-and-how-you-can-easily-love-.html>

**Tigers, let's lead our students by example as we make our mental & emotional health, and our overall wellness, a priority.** Please direct any questions to Amanda Brown ([amanda.brown@fhsu.edu](mailto:amanda.brown@fhsu.edu)) or Jessica Albin ([jkalbin@fhsu.edu](mailto:jkalbin@fhsu.edu)). Finally, if you would like to receive a recurring Outlook invitation for MMM, please let Jessica know.

### **Award for Outstanding Undergraduate Scholars**

The Undergraduate Research Experience (URE) Steering Committee is seeking nominations from faculty and staff for the annual FHSU Award for Outstanding Undergraduate Scholars.

The URE Steering Committee offers this prestigious award to recognize undergraduate students who exemplify scholarly activity. Qualities that make a student successful in scholarly activities characterize those same qualities FHSU seeks to develop in students: original thought, creative ideas, communicating with professional colleagues, critical reasoning, analysis of research, translation of evidence into practice, and first-hand knowledge of how work is performed within a professional discipline.

The URE Steering Committee will provide **five** awards, one for an outstanding undergraduate student from **each college**. Nomination letters can come from FHSU faculty or staff, and should be submitted through this website no later than April 1, **2021**. Any FHSU undergraduate student--including KAMS/AMS and FHSU Online students--is eligible. The research project may be from the award year or past years; however, the student must have been an undergraduate student for a minimum of one semester during the award year. The nomination should describe the scholarly qualifications and products of the student--for example, published papers, professional presentations, on-campus research activities, musical/artistic performance, or other novel scholarly activity. The nomination should clarify the role of the undergraduate student in the scholarly activity. The nominator should also include the nominee's CV or resume.

Nominations will be evaluated by a subcommittee of the URE Steering Committee, who will make a recommendation to the full URE Steering Committee. Winners will be recognized during Undergraduate Research Week in April 2021.

**WORKDAY ANNOUNCEMENTS**

## Z-Course Tag in Workday

Starting Fall 2021, 94 courses (156 sections) will be offered with a z-course or z-course (fee waived) tag. These z-course tags can be found in Workday to indicate that the course has elected to use zero-cost course materials which students can access for free, instead of purchasing traditional textbooks. To find z-courses, [follow these Workday instructions](#).

### What do the z-course tags mean?

**Students taking a "z-course"** will pay a \$12 fee, in place of textbook costs, to contribute into a cost-sharing model. Over time, this cost sharing model helps incentivize faculty and departments to convert more courses to use zero-cost course materials which continues the cycle of textbook savings. Learn more about the z-course program here: <https://fhsu.edu/oer/z-courses/z-course-designation>

**Courses labeled "z-course (fee waived)"** have decided to waive the \$12 cost sharing fee.

As you begin enrollment and registration for students in the coming weeks, please be aware of these course tags and how they may help save your students from the rising costs of textbooks and ensure that they have access to the required course materials on day one. Please direct any questions about the z-course designation and z-course program to Claire Nickerson, [cenickerson@fhsu.edu](mailto:cenickerson@fhsu.edu).

## Faculty Development Funding

*(including virtual opportunities, software, reading materials, equipment...)*

COVID ALERT: While this policy may change over the summer and fall, the Critical Incident Policy Group (CIPG) has determined all travel will be restricted except for mission critical/essential travel that has been approved by the appropriate VP. See <https://www.fhsu.edu/covid-19-response/employees> for current employee travel guidelines.

The last 2020-21 deadline **with chair and dean electronic approval** is April 1.

- Faculty are encouraged to *consider development opportunities beyond travel* as travel may not be approved: **virtual conferences/workshops/courses, software, reading materials for your teaching and/or research, equipment for teaching and/or research, etc.**
- Travel applications - Approval of faculty development funds does not equate to travel approval. Travel approval will be considered separately as per the current travel policy.
- **Complete** and **detailed** application responses assist committee review and probability of full funding (within limit).
- The new Workday process has been working well. One occasional issue is a form not saving due to empty fields. Please note, all required fields on the form must contain text in order for the application to save or submit - see [instructions](#).
- Applications **completing chair and dean electronic approval no later than April 1** will be considered in this cycle. Verify **earlier** department/college deadlines with your chair and dean.

Read all [instructions](#) and [guidelines/criteria/procedures](#) **prior to** completing the Workday Workflow [application form](#) (TigerNet ID required, use Chrome browser).

**RECOMMENDED - Track your application's electronic progress** after submission by returning to [Academic Affairs Workflows](#).

The next application due date will be *September 20, 2021*.

If you have questions or would like assistance accessing and/or completing the FDF form, contact Janet Kohl at [jakohl2@fhsu.edu](mailto:jakohl2@fhsu.edu) or by phone, 4207.

## **New Workshops for Spring Schedules**

The Department of Criminal Justice has added two one-credit hour workshops to the spring schedule, open to students of any major:

### **CRJ 100 B Workshop in Criminal Justice: Mental Health First Aid**

This course explores different training models available for increasing knowledge, assessing for safety, and responding to mental illness. Students in this course will learn how to help someone developing a mental health problem or experiencing a mental health crisis by assessing for suicide risk, listening non-judgmentally, giving assurance and information, encouraging professional help, and finally, encouraging self-help. Successful completion of the course will result in certification in Mental Health First Aid (MHFA).

### **CRJ 100 C Workshop in Criminal Justice: De-escalation Training**

This course introduces students to Marston's (1928) DISC personality model, the most popular and broadly accepted personality model in the world. Advancements to this model, developed in 2014, offer the most comprehensive, innovative, evidence-based experiential de-escalation training available anywhere. Students enrolled in this course will be trained in the first and only nationally certified training program to incorporate personality modeling and threat stage recognition. Students will learn to take actions based on one's personality and adjust to needs of those in crisis. In addition, students will learn to employ best practice de-escalation methods, including to convey respect, permit venting and use active listening. Finally, students will learn how to respond to active or passive threats and de-escalate more efficiently and safely.

Both of these workshops are appropriate for any student pursuing a career in the social or behavioral sciences, nursing, education, and others. Contact the Department of Criminal Justice at [criminaljustice@fhsu.edu](mailto:criminaljustice@fhsu.edu) with any questions regarding either course.

### **Big Event 2021 – Live on TigerLink!**

FHSU's Student Government Association is gearing up for their **10<sup>th</sup> Annual Big Event**, which is scheduled for **Saturday, April 24<sup>th</sup>, 2021**. The Big Event 2021 is all about “serving smiles” in a safe way. The purpose of the Big Event is to give our students the opportunity to say thank you to the community that supports them throughout the year in a “big” way. Working alongside SGA to help provide students this opportunity to say thank you is the Fort Hays State University Foundation and Student Engagement. Of course, the event will look slightly different this year due to COVID-19 rules and restrictions, but SGA is prepared to take every precaution in order to make this event as great as it has been in the past.

Unlike in recent years, throughout the day there are going to be four two-hour long shifts that students can volunteer for so we can assure we are creating the safest environment for everyone. SGA realizes there is a risk with our volunteers coming into businesses and facilities, but we have come up with a solution for individuals who want our help but are not willing to meet in person. SGA is also allowing you to provide service projects that can be done from a distance to insure we are helping in the safest way possible. The Big Event is an opportunity for our students and community to witness the unique relationship that they have with one another and this year, they are even more excited to bring joy and happiness during these hard times.

For any questions, please contact [sga.crd@fhsu.edu](mailto:sga.crd@fhsu.edu) or call our office at 785-628-5311.
